wez Kunststoffwerk AG strengthened to provide better logistical solutions

The Scherer Group with companies in Italy and Germany acquires per 01.November 2014 the wez Kunststoffwerk AG in Oberentfelden AG, from the Plaston Group in Widnau.

The Scherer Group (www.scherer-group.com) operates Europe-wide with facilities in Italy and Germany, and is also present in the European logistics solutions market. The Scherer acquisition of wez Kunststoffwerk AG aims to develop and complement its own logistics assortment, which is mainly positioned in Germany with the brand Lockweiler in retail and project business.

It is the goal of the Scherer group to develop and expand the Swiss production and sales in the area of logistics assortment together with Lockweiler.

Yours Sincerely
WEZ Kunststoffwerk AG
